

The image features a watercolor-style background with soft, blended colors of purple, yellow, and green. A solid blue rectangle is centered in the middle of the image, containing the text "SMDC" in a bold, white, sans-serif font.

SMDC

The background is a watercolor illustration of a landscape. In the foreground, there are several trees with green and yellow foliage. Behind them, there are rolling hills in shades of green, yellow, and blue. The sky is a mix of light blue and white. The overall style is soft and artistic.

RESIDENCES

NOVALICHES, QUEZON CITY

MORE THAN JUST A HOME

Vast open greenery. Seduced sunken gardens. Calm expansive pools. These are just a few of the amenities enclosed within the gated community of SMDC's Vine Residences. Located within the SM City Novaliches complex, it offers a lifestyle unlike any other in the area. Here, homes lie amongst rolling grassy spaces for a quiet and relaxed ambiance. While entertainment, convenience, and a transportation hub are found in the mall next door. At Vine Residences, you get more than just a home, you get a lifestyle.

LOCATION & ACCESSIBILITY

Located right inside SM City Novaliches complex, everything is within reach – shop in any of over 200 retail stores, dine in over 40 restaurants or watch a movie in any of its digital cinemas, a lifestyle like no other.
